Mike Arick joined DDF Consulting Group as a partner in March of 2005 and is in charge of the MAS90/200 software channel. Mike has been implementing MAS90/200 since 1988. Mike's area of expertise is helping distribution type businesses make sound decisions related to all areas of information technology.

Mike also customizes MAS90/200 using Crystal Reports, Custom Office, Visual Integrator and F9.

Mike Arick started his career at a regional CPA firm as a programmer in September 1985. Over the next 21 years he progressed through the firm and spent 6 years as the Director for the Information Systems Consulting Department.

In addition to his managerial duties, Mike provided businesses with technology planning and accounting software solutions to medium size companies in numerous industries.

Mike graduated from the University of Florida in April 1984 with a Bachelor of Science in Business Administration and a Major in Computer Science. He attends over 40 hours of continuing professional education per year and has conducted several training classes and seminars related to information technology.
